

iTOUR 2019

EIGHT golf tournaments for \$390. Nobody in America can beat this price !

This is the Tenth year for the iTOUR. The iTOUR has been established to provide young people (18 and under and 2019 graduates are welcome) with an affordable quality golf competition experience.

The name "iTOUR" comes from the fact that we are in "Illinois" (hence the "I") and this is a junior golf competition, so we went with a small "i" to illustrate that point.

We will have seven tournaments this year. Below is a list of each tournament. The 2019 Season will start off with a two man tournament at Mistwood Golf Course and conclude with the iTOUR CUP CHAMPIONSHIP at Heritage Bluffs. The Championship will be very similar to the PGA's Fed Ex Cup. Each golfer's finishing position in each tournament will determine his overall iTOUR CUP standing. A champion will be determined after the iCUP championship.
