

Fall 2022

Boys Golf

INFORMATION

Tryouts: There is a two-day tryout. The *tentative* first day of tryouts will be **Monday, August 8th**. Coach Kobliska will email information regarding tryouts over the summer. Other information will also be included on the “Athletics” link of Plainfield Central’s website some time closer to the approaching date of tryouts. **ALL players must have a physical on file** (taken within the last year) **AND** a signed **Wildcat Code** completed **prior to tryouts**.

Equipment: All golfers must have their own clubs.

Dress code: Golfers should wear **PROPER ATTIRE**, which means a collared shirt, no jeans, hats should be worn forward, etc.

Team: We have 2 teams: Freshman/Sophomore golf team & a Varsity golf team. The Fresh./Soph. team will consist of 11 to 12 members. The Varsity team will consist of 9 to 10 members. There may be cuts depending on how many golfers tryout.

Season: The regular season runs from Monday, August 9th to early-October (State Finals).

Home course facility: For the past fifteen years, our varsity’s home course has been **Mistwood Golf Club** located at 1700 W. Renwick Rd., Romeoville, IL 60446. Our freshman / sophomore team practices at **Wedgewood Golf Course** located at the corner of Rt. 59 and Caton Farm Rd. Both levels play our matches at Mistwood Golf Club. Mistwood and Wedgewood have both been extremely generous in providing us time to utilize their course and other practice facilities for tournament play, match play, and practice.

Summer Camp: Dates, times, and prices have not yet been confirmed for this upcoming summer. However, we will have a free chipping & putting clinic in mid-May and then a golf camp in mid-June that will focus on all aspects of the game. Important information concerning the golf camp will be made available through our [team website](#) as well as the Plainfield Central High School website (Athletics & Activities link), or contact the athletic office at (815) 439-3265.

Team Website: Checkout our team website at <http://www.phsgolf.net> for program history, off-season information, important announcements and more.

***It is against the IHSAA rules for a coach to contact a player until the end of their 8th grade year. If parents or guardians have any questions, please e-mail at the following address: dkoblisk@psd202.org.

**See backside for suggested summer activities

SUGGESTED SUMMER ACTIVITIES

Summer Tournaments / Leagues: If you have any experience playing competitive golf, you have probably realized that playing competitive golf is a much different experience than playing golf leisurely. For this reason, it is highly recommended (not required) that you try to enter and play in as many summer golf tournaments / leagues as possible. I have listed websites that I have found information concerning various summer tournaments / leagues to be available. If you know of any others, please notify your teammates. Tournaments / leagues / programs that can be found on these websites are highly recommended:

Cog Hill Junior Tour

<http://coghillgolf.com/> (Click “JUNIORS” tab at top for information for various events, including a league for junior golfers)

Central IL Golf Junior Tour

<https://www.facebook.com/CIJGT/>

Country Youth Classic (June 28-30)

<http://www.theyouthclassic.com>

Illinois Junior Golf Association

<http://www.ijga.org/>

Joliet Park District

<http://www.jolietpark.org/>

The Prep Tour

www.preptour.com

The iTour

The iTour is a great way to play local talent and local golf courses at an extremely affordable price. Each summer there are about eight events held at various golf courses within our conference. The formats will vary so some will be partner events, match play, or individual stroke play. Pay attention to the “Off-Season Opportunities” link of our team website (<http://www.phsgolf.net>) in May for a registration form.

If you try to access the Joliet Park District website, you will notice that as of right now, they may not have many junior events listed. However, this will probably change as the spring season progresses. Every summer the JPD hosts a junior tournament where junior golfers get to play three competitive rounds against other golfers their age and ability.

PCHS Summer Golf Camp

➤ Dates and Times: TBA

Please check the “Off-Season Opportunities” link of our team website (<http://www.phsgolf.net>) for additional tournaments and important information that is continually updated.

For golfers of ALL ability levels, lessons are a great way to learn more about the game, your swing, and golf etiquette. You may want to call your local golf pro to see about the various packages they offer for junior golfers.

If you're interested in setting up a lesson or program with a **Mistwood Golf Club** professional, you can call (815) 254-3333 or call **Wedgewood Golf Course** at (815) 741-7270. I would also recommend contacting Scott Hogan of Scott Hogan Golf (<https://scotthogangolf.com/>) at (815) 354-0366.
